MAIN TELEPHONE NUMBER: (918) 588-1900

Same Day Clinic Hours and Policy: (Established / Active Patients Only) 7:00AM TO 4:00PM

Patients wanting to be seen as a same day appointment need to sign in at the Same Day Clinic between the hours of 7:00 am and 4:00 pm or until time slots are filled. Patients will be seen as a provider is available.

Please note: Same Day visits are for sick visits only. For routine health concerns, you will need to schedule with your Primary Care Physician. Ongoing or routing concerns such as diabetes, thyroid disorders, physicals, or referrals, are examples of care that should be scheduled.

Billing Policy:

Sooner Care, Medicaid, Medicare and private insurance will be billed.

Pharmacy Policy:

Due to increased patient volume, please call in or order online refills four (4) working days before picking up medication.

Return Phone Calls:

When leaving a message for IHCRC to return your call please state your name, patient's name, date of birth, telephone number, and the best time to return your call.

After Hours Care:

Nurse line: (918) 588-1900, press 3 after 6:00pm. For urgent care go to Cherokee Nation Claremore Hospital (formerly Claremore Indian Hospital) (918) 342-6200. If you are having a life-threatening emergency, you will need to go to the nearest hospital ER. It is your responsibility to contact contract health within 72 hours (this does not guarantee payment).

Patient Bill of Rights and Responsibilities

We encourage you as a Patient of Indian Health Care Resource Center of Tulsa to actively participate in your healthcare. We want you to be involved in your treatment choices. Together we are partners in your care. Ultimately, it is through this partnership that we are to reach our organization's Mission: *To empower the American Indian through exceptional healthcare!*

Your Rights

Respect – You have the right to be treated with respect, consideration and dignity regardless of your age, sex, race, national origin, religion or disabilities and to receive considerate, respectful and compassionate care in a safe setting.

Safety – You have the right to receive care in a safe environment free from all forms of abuse, neglect or mistreatment. You have a right to be supported in a manner that enables you to be as healthy, self-sufficient and functional as possible.

Confidentiality – You have the right to have all matters treated with confidentiality. Your medical records will not be released without your written consent, unless otherwise required by law.

Information – You have the right to information about your health, diagnosis, evaluation and treatment plan. You have a right to clearly understand all the information that is provided to you, including information on the availability of services, after-hours and emergency care, fees for services and payment policies.

Participation – You have the right to information in decisions involving your care, unless it is not appropriate due to medical reasons. When it is medically inadvisable to give such information to a patient, the information will be provided to a person designated by the patient or to a legally authorized person.

Choice – You have a right to accept or refuse treatment to the extent permitted by law. You have the right to refuse to participate in experimental research. Patients have the right to change their Primary Care Provider.

Service – You have a right to quality care. Our facility does not provide after-hours care or emergency care. If you need emergency care, you should go to the nearest emergency care medical facility.

Telehealth – You have the right to telehealth services that are encrypted to protect patient confidentiality. Patient information cannot be shared without written consent. Telehealth services will be provided in a location that ensures privacy and confidentiality. You have access to all transmitted information except live videos. You have the right to withdraw from telehealth services at any time.

Suggestion and Grievances – You have the right to make suggestions and to express any grievances or complaints and to expect a reply to any complaint within a reasonable time.

Advance Directive – You have the right to formulate an Advance Directive (Living Will, Durable Power of Attorney for Healthcare e.g., Health Care Proxy, Mental Health Advance Directive, DNR Order, or Organ Donation Request). The provision of your care is not conditioned upon having an Advance Directive.

Billing for Service – Patients will not be billed for services. We do, however, bill Medicaid, Medicare and Private insurance.

Patient Responsibilities

These responsibilities include at least the following:

- **Providing information.** You and your family are responsible for providing accurate and complete information.
- **Asking questions.** You and your family are responsible for asking questions when you do not understand what you have been told about your care.
- **Following instructions.** You and your family are responsible for following the care, service, or treatment plan developed. You should express any concerns you have about your ability to follow and comply with the proposed plan or course of treatment.
- **Accepting results.** You and your family are responsible for the outcomes if you do not follow the care, service or treatment plan.
- **Following facility rules and regulations.** You and your family are responsible for following the facility's rules and regulations concerning patient care and conduct.
- **Showing respect and thoughtfulness.** You and your family are responsible for being thoughtful of the facility's personnel and property.
- **Play a role in successful telehealth experience.** You and your family are responsible for providing accurate information and are prepared for virtual visits
- **Transportation:** Patients are informed of the responsibility to provide a responsible adult to provide transportation home and to remain with him/her as directed by the provider or as indicated on discharge instructions.

In addition, you and your family are responsible for being considerate of other patients, helping control noise and disturbances, following the tobacco-free policies, and respecting others' property.

Contract Health Services for Emergency and Referred Care

INDIAN HEALTH CARE RESOURCE CENTER IS NOT A CONTRACT HEALTH SERVICE DELIVERY LOCATION AND DOES NOT PAY FOR SERVICES OBTAINED OUTSIDE OF OUR FACILITY.

IF YOU SEEK EMERGENCY CARE OUTSIDE OF OUR FACILITY OR ANY IHS OR TRIBAL FACILITY, YOU MUST NOTIFY YOUR LOCAL CONTRACT HEALTH SERVICE LOCATION WITHIN 72 HOURS TO BE CONSIDERED FOR FUNDING (SEE BELOW).

CONTRACT HEALTH IS NOT AN ENTITLEMENT PROGRAM AND FUNDING IS NOT GUARANTEED.

Important information about Contract Health:

1. You must have an active and updated chart at your Contract Health service location.
2. You must reside in your Contract Health Service Delivery Area. (Must be able to provide proof of residency)
3. You must use all other resources to pay for your referred care and will be screened for alternative resources.
- 4. A physician's referral or an ER call in does not constitute a commitment for payment by Contract Health. It is your responsibility to call your Contract Health Service Center to make sure the referral was approved.**
5. IHS is the "payer of last resort" for individuals determined as eligible for Contract Health Services.
